New Head Start Program Performance Standard

- A. §1302.102 Achieving program goals
- B. §1302.34 Parent and family engagement in education and child
- C. §1302.50 Family engagement
- D. §1302.51 Parent activities to promote child learning and development
- E. §1302.52 Family partnership services
- F. §1302.92(b)(3) Training for child and family services staff on best practices for implementing family engagement strategies in a systemic way.

New Head Start Program Information Report (PIR)

The new PIR 2018-2019 will be an
outcomes based reporting.

What is Technology Aided Family Engagement?

1. Auto Data Capturing
2. Engagement Data Mining
3. Impact Study
 - a) Reporting
 - b) Monitoring

Opportunities for Engaging Families

Opportunities are everywhere!

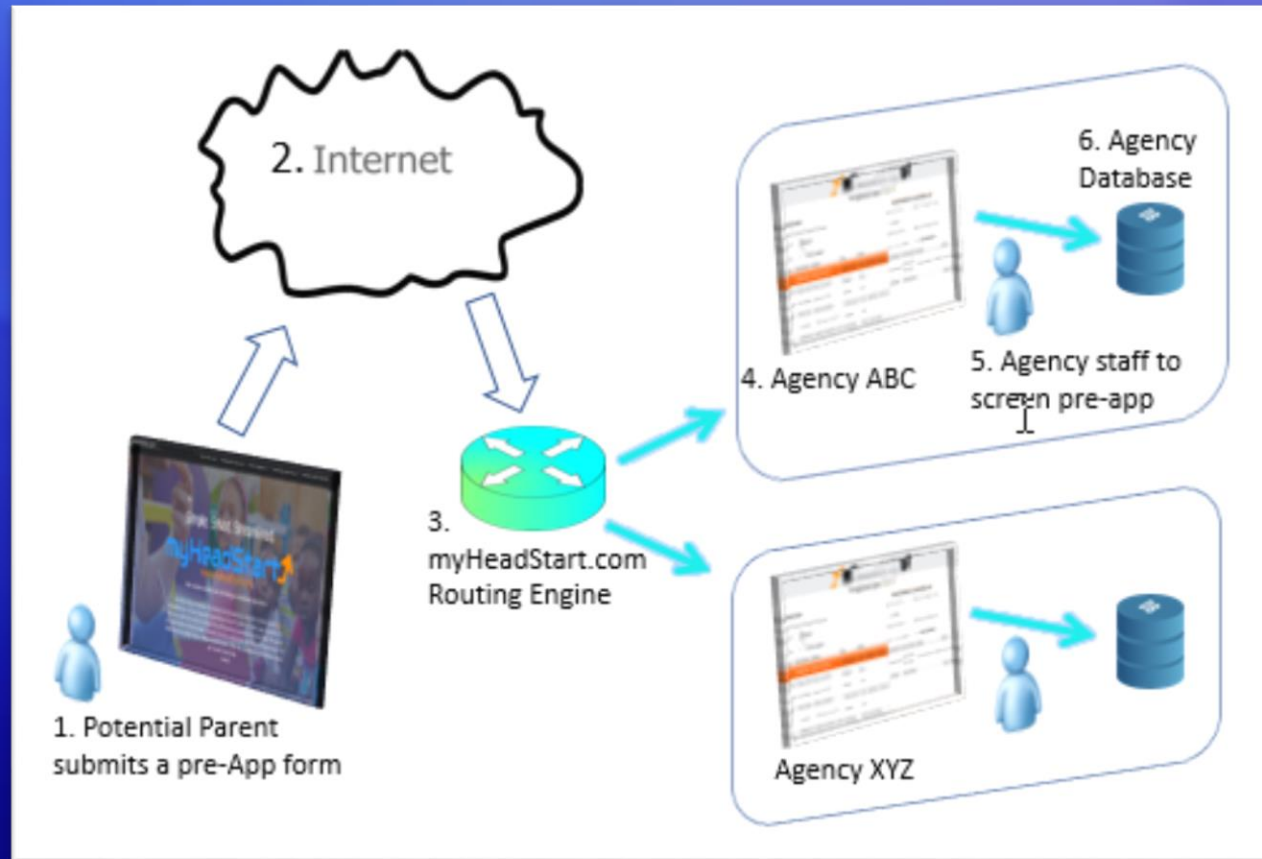

Here are a few examples:

- Pre-App
- Setting Family Goals
- Parent Child Activities
- Home Visits
- Parent Teacher Conference
- Volunteering
-

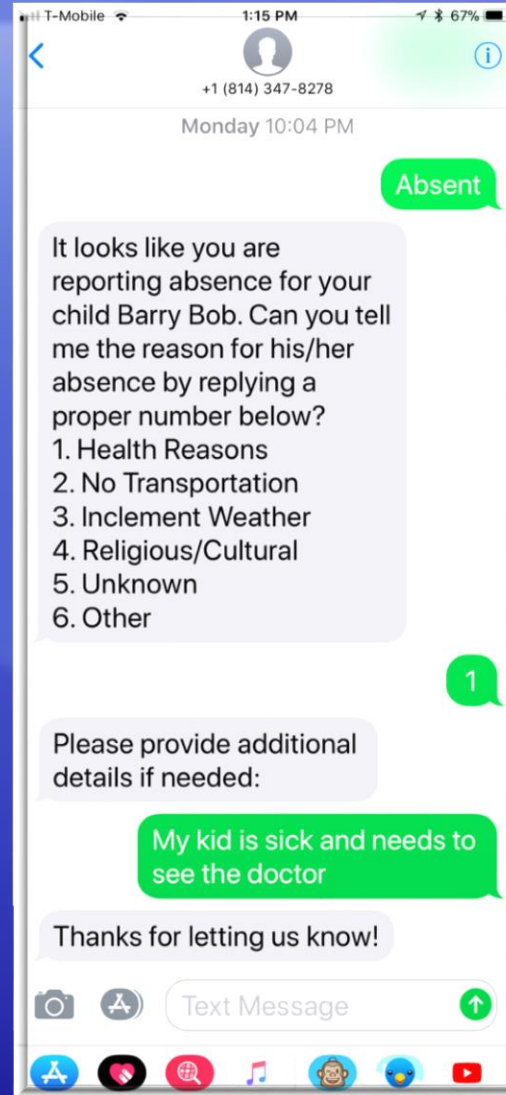

Make sure your software is data mining all that?

Pre-App

Capturing Father Involvement

Family Partnership Agreement

Parent Child Activities

Program Year 2016-2017

Dear Parent/Guardian,
 Everyday holds many opportunities for your child to grow and develop. Stage17 recognizes you as the primary educator of your child. By working on these activities, you are assisting in meeting your child's school readiness and program goals.

Date: For week/month of: - 

Child's Name: Parent's Name:

Center: Classroom:

Child's Identified Area of Development:

Individual Goal:

1. Activity to do with your child:

2. Activity to do with your child:

Child's Identified Area of Development:

Individual Goal:

3. Activity to do with your child:

4. Activity to do with your child:

Date	Please circle the activity completed. Activities can be done more than once.				Please circle the number of minutes spend on each activity. It is developmentally appropriate for children ages 3 to 5 to work on activities for 5 to 30 minutes.

Impact Reporting and Monitoring

Impact Reporting

- Outcomes by family/parents
- Outcomes pies reports
- Outcomes bars/Lines reports

About myHeadStart.com

- Built on top of the new HSPPS, this innovative technology will simplify and streamline your entire agency's operation, reduce cost, and empower users.
- Patented iDcCaT (Pronounced as /'ɑɪ'di kæt/) Technology - Integrated data capture and compliance assurance technology (iDcCaT) makes quality data capture and compliance assurance easy for everyone, from family service workers to coordinators to directors.
- Communication and Collaboration - We have built in the best collaboration technology for Head Start from our R&D of the past 20+ years. Team collaboration is easy and happy! Communication with Parent has also been more streamlined.
- Push & Discover – No more search and navigate! Intelligent push and discovery technology auto push tasks* to users. Our system standardizes operation so that everyone will know exactly what to do, and when.
